

SAFETYNET SECURITY LIMITED NEWSLETTER MARCH 2012

DOOR SUPERVISION...SECURITY GUARDING...KEYHOLDING

Hi Team,

I sincerely hope that all is well out there with you all as things are moving forward here at Safetynet Security at a rapid pace with new venues coming on weekly and the addition of two Static Sites this month alone.

Further to our development we would like to welcome back a well known figure within the security industry **Steve Adkins** who is our new Head of Operations. Steve has 29 years experience in the industry and has a broad knowledge of all aspects of security from Door Supervision to Manned Guarding, Key-holding and Events. Steve has a very professional approach to business and no doubt his addition to the company will further assist in the development of Safetynet Security moving forward. We would like to congratulate him on his new position. Safetynet Security is proud of the consistent high standards we achieve which is down to all the hard work that is put into our business by yourselves so a big thank you from us here in Head Office.

Otis Hanley; Chief Executive Officer.

Congratulations to our Leamington Taxi Marshals

We would like to acknowledge the professionalism demonstrated recently by two of our Taxi Marshals in Leamington town centre.

Jangir Hussain & Paul Frost

With limited assistance from the local Police between them successfully deescalated a potentially volatile situation involving more than thirty people. Their professionalism helped them to protect members of the public and the image of the private security industry. Well done from all at SafetyNet.

Information regarding company personnel...

Please note the following regarding personnel that are associated with SafetyNet Security.
