

Hi Everyone

Hello everyone. I hope you are all well. It is that time of year when we have our annual SIA Approved Contractor AND ISO9001 assessment. Basically, this means that we are put under the microscope once again to make sure that we are complying to the highest standards in the manned guarding industry. Our result was very positive and again we picked up extra points on last year's assessment. I would like to thank all my staff for making this possible, both Front Line and the Management/Office based team. Remember, you are all part of this and I believe that you are all key to the success we can achieve that will take us forward. Keep yourselves safe at your venues/sites and I look forward to seeing you all soon.

Kind regards

Otis Hanley Chief Executive.

*We would like to take this opportunity to congratulate, Ryan Hanley and Jamie Dunne on their promotions. Both will now hold the key positions of Operations Support Managers within SafetyNet Security Group. This is in line with our recent announcement of moving the company forward due to the increase in volume of work*
