

NEWS LETTER – Winter 2017/18

Address from the CEO

Hello Everyone, I hope you are all well. The Winter has taken a grip but Spring is on the way. We are all looking forward to 2018 and are hoping that it will be as successful as 2017. We continue to establish ourselves as a key player in the private security industry. Our scope of activities has now been expanded to include CCTV Operation and Management. Therefore, we are now Approved Contractors in Security Guarding, Door Supervision, Keyholding & CCTV. I want you to know that my Management Team and I appreciate the effort you all put into your work, you are the front line of the company. It is because of the strong leadership demonstrated by my Management Team and you on the front line that makes SafetyNet Security Group Limited the company that it is. Take care, I hope to see you all soon. Otis Hanley CEO.

Critical Success Factors

As a company, we must have the following:

- Satisfied Customers
- Profitable contracts
- Motivated staff
- Sound Health & Safety
- Continuous improvement
- Effective leadership
- Effective Policies & procedures
- Sound Environmental policies

The employee of the quarter for Winter 2017/18 is

Roderick Williams

Well done to Roderick. This seasons award was due to this fine Security Operative being so customer focused that the customer at his/her site told us all about how polite, positive and professional Rod is.

NEWS LETTER – Winter 2017/18

Dynamic Risk Assessments

Do you remember your Conflict Management training? If you do, you may remember that in our industry we conduct DYNAMIC risk assessments, this means that the situation could change very quickly and may require an alternative strategy to reduce the risk. We are asking all our field based front line staff to be alert and be prepared to conduct a “dynamic risk assessment” at any time.

What is the current UK Terror Threat Level?

The current threat level for international terrorism in the UK is **“SEVERE”**

LOW means an attack is unlikely.

MODERATE means an attack is possible, but not likely

SUBSTANTIAL means an attack is a strong possibility

SEVERE means an attack is highly likely

CRITICAL means an attack is expected imminently

Members of the public should always remain alert to the danger of terrorism and report any suspicious activity to the police on **999** or the anti-terrorist hotline: **0800 789 321**.

Got a good idea, or just want to get it off your chest?

We value your opinions and if there is anything you want to say to us, we are here. We operate an “open door” policy here at SafetyNet, you are one of us!

Mission Statement –

“By complying with industry standards and nurturing a motivated workforce, SafetyNet Security Group intends to become the premier supplier of Security Services in the UK. We will protect our consumers and stakeholders in our role as part of the extended Police family”.
